WHEN: 8:00 A.M. October 21, 2008

WHERE: Intermezzo, 6 School Street

HOSTED BY: The Greater Downtown Tax Increment Finance Advisory Board (GDTIF)

The Greater Downtown TIF Advisory Board is sponsoring a breakfast meeting for all those who do business in the Downtown. The purpose of this meeting is to introduce the upcoming NH Department of Transportation Project for the reconstruction of the Main Street Bridge and retaining wall.

This will be the first of many public meetings as we discuss, review, and plan for the improvements to our bridge and the retaining wall on Route 202 from the bridge to Granite Street. A preliminary project outline will be discussed with engineering beginning in 2009 and construction in 2010/2011.

A light breakfast will be available, so please RSVP by October 16, 2008 so that the Intermezzo can properly plan. Confirmations may be made by telephone to 924-8000 x 104 or by email to: cogilvie@townofpeterborough.us or rbartlett@townofpeterborough.us.
