Alert System

Print-Friendly Version

Welcome to the **Town of Peterborough's Alert and Notification page**. The Town uses the [NIXLE System](#) which is a secure messaging service that allows town departments to send out both mobile text messages as well as emails (recipient's choice) instantly.

Nixle has been used around the country to help find missing seniors or children; evacuate flooded areas, and capture criminals shortly after a crime has happened. The power in the system is also its diversity of content, allowing not only those emergency alerts, but informing residents of road closures, snow emergencies, parades, important community meetings, and other "want to know" information.

There are several ways to sign up for alerts:

- Use **TOWN NIXLE REGISTRATION FORM** to register email and/or phone
- Go to www.NIXLE.com and register a citizen account
- Use your mobile phone and text your **ZIP CODE** to **888777** for to register mobile for SMS Notifications
- Use your mobile phone and text the word **TOPALERT** to **888777** to register mobile for SMS Notifications

The **TOWN NIXLE REGISTRATION FORM** (below) is the quickest method to start receiving the Town of Peterborough's notifications. Enter your mobile phone number and/or email address (your choice) to start receiving messages.

Sign up for alerts from the **Town of Peterborough!** & other public safety agencies in your area.
