SELECT BOARD
TOWN OF PETERBOROUGH**

Tuesday, June 2, 2011 – 12:00pm
100 High Street, Peterborough, New Hampshire

Present: Joe Byk, Barbara Miller

Also Present: Pamela Brenner, Rodney Bartlett, Carol Ogilvie, Fash Farashahi, Nicole MacStay

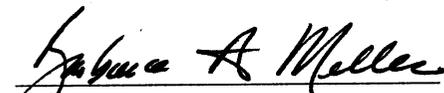

The Select Board met with members of the community to hear a presentation from Comcast representatives regarding a pilot program they launched entitled "Project Open Voice." They explained that their intent was to create a portal online and on their OnDemand service for local media. They have invited only five other communities nationwide to be part of the pilot: Philadelphia PA, Hialeah FL, Huston TX, Fresno CA, and Medford MA. They described the project as a three-year initiative during which they will explore their ability to deliver local news, information and entertainment by providing the platforms and framework through which the community could share its content. There was an extended discussion about how community stakeholders would be involved in the process and where the resources would come from to move the process forward.

Respectfully Submitted,
Nicole MacStay, Assistant to the Town Administrator
