

Ag Com Meeting Minutes
6pm, March 4,2020

Participants include: Alex Walker, Mike Lombard and James Kelly

Student farming education: No connection has been made to schools about education. Mike will now make connection to plan a program. Mike has not yet contacted Charlie Daloz who has a farm in Hancock about ideas for the Ag Com.

Shared Kitchen by Ciaran: James has been told that the shared kitchen can't be connected to SoClean for space and financing. Ciaran is exploring starting the kitchen in Keene.

Greenerborough speakers: Savannah is a possible speaker on benefits of cattle grazing. A possible speaker about managing food waste (gleaning) is Hazel Chat Fieldgersh Field. Ciaran might speak and James will contact him.

2019 annual report: Alex drafted the annual report, which includes plans for farm training and managing town owned conservation land. Board should review on line before it is submitted at the end of March.

Makerspace connection: James will connect with Adrian Pinney to learn what they are doing at a makerspace in Keene.

Next Meeting: April 1, 6pm 2020
