

Peterborough Open Space Committee Minutes
January 22, 2017 meeting
Peterborough Town House 3:30 p.m.

Present: Ed Henault, Anne Huberman, Joel Huberman, Debby Kaiser, Francie Von Mertens

Discussion of future projects and goals were discussed given that many of the original committee charges have been completed—ranking parcels in town for their conservation value based on established natural resource values and establishing a land conservation fund.

The committee's role in updating the Master Plan Open Space chapter is unknown.

Outreach to owners of high priority land is ongoing, as well as maintaining the OSC's website that is intended to provide a solid tutorial in the many ways to conserve land as well as the diverse benefits of conservation land. Profiles of town conservation lands include trails.

The committee will meet monthly as needed. Two land conservation projects are in the works and will be shepherded by the Committee as needed.
