

Peterborough Open Space Committee Minutes
August 14, 2017 Meeting
Peterborough Town House 3:30 p.m.

Present: Ed Henault, Debby Kaiser, Anne Huberman, Joel Huberman, and Francie Von Mertens by telephone

Fremont sign issues

Someone spray-painted graffiti on one of the signs at Fremont Field. We decided that Debby would ask the town to simply remove the sign.

Landowner outreach

The group discussed progress being made on some potential land conservation sites.

Monadnock Conservancy

Having heard that the Monadnock Conservancy has decided to focus on our area, we decided to ask Francie to arrange a meeting between the Open Space Committee and a representative of the Monadnock Conservancy to discuss how we can work together and to hear about the latest developments in land conservation. It would be best to meet sometime in September, before we send out our annual letters to landowners.

Trail Use

Ed wondered how much our local trails are being used. Anne volunteered to get statistics on the use of our web page that describes the trails.
