

**Draft**  
**Peterborough Town Library Board of Trustees**  
**Meeting Minutes**  
**April 13, 2017**

**Present:** Ron Bowman, Karen Struthers, Marcia Patten, Debra Caplan & Laura Hanson

**Missing:** Jeanie West

**Others Present:** Corinne Chronopoulos (Library Director)

**Meeting called to order:** 4:00 pm

Corinne told the Board that the town had enacted a budget freeze on all town departments. The reasons given were additional costs for snow removal, a buried tank had to be removed from the GAR Hall, and there is a financial bookkeeping mistake that is currently being researched. She has been told that it will probably only last for a month.

There was a discussion about purchasing this month's books and equipment for the two new spaces that have been recently vacated by Monadnock Music. One of the spaces will be used for community technology training and the other space will be used for children's story time.

**Motion:** The Trustees have authorized Corinne to spend no more than \$12,600 from the library's unbudgeted revenue account to equip and reconfigure patron space. DC, RB **Motion passed**

**Meeting adjourned:** 5:10 pm

Respectfully submitted, Laura Hanson, Secretary
