**Cemetery Trustees  
2019 Report**

The Cemetery Trustees report that there were 18 burials during 2019. A total of 8 deeds (1 five-grave lot, 1 four-grave lot, and 5 two-grave lots) were sold by the Trustees in 2019. In addition, the owners of 11 cemetery lots who were previously invoiced every two years for the annual care of the lots converted their lots to Perpetual Care.

The Trustees would like to recognize Tim Rose of the Highway Department, David Croumie of Buildings and Grounds, and the cemetery maintenance crew: Michael Ambrosini, Gunner Buzzell, and Jim Stewart who did an outstanding job during this past year in the upkeep and maintenance at the Concord Street, Pine Hill, and Old Street Road cemeteries. We would also like to thank Tom Keenan and Tim Keenan for providing high quality grave opening services.

Respectfully submitted,
