

**Health Department  
2019  
Annual Report**

The Peterborough Health Department consists of the health officer, Edmund Walker, and deputy health officer, Tim Herlihey, and exists to enforce applicable New Hampshire laws and administrative rules; serve as a liaison between state officials, local elected officials, and the community on issues concerning local environmental and public health; and finally, as active participant in efforts to develop regional environmental and public health capacities.

Please remember to go to the town website ([www.townofpeterborough.com](http://www.townofpeterborough.com)) and sign up for NIXLE emergency notifications. This free system provides our residents, and other who frequent town, with critical information in the event of a local emergency. You are also encouraged to sign up for NH Alerts, a free service to provide emergency NH Alerts by the New Hampshire Department of Safety, Division of Homeland Security and Emergency Management. Emergency and community messages are initiated by authorized public safety officials at the State level and severe weather warnings are initiated directly by the National Weather Service. Additional information is available at: <http://www.readynh.gov>.

The Health Department completed the following activities for the year 2018:
