Debbie Kaiser informed Heritage Commission members that there was no longer a need to speak at this evening's Planning Board meeting as Ivy Vann had informed Debby that a discussion regarding the demotion of the properties of 44-46 Concord Street would not be discussed this evening, as anticipated but that tonight the Planning Board would only consider All Saint's Church Church request for a subdivision of these properties.

Debbie also shared re her recent unsuccessful attempts to communicate with John Caitlin, Keene architect working with All Saint's Church.

Members present agreed to discuss concerns and future plan of action at next month's HC meeting in March.

Respectfully submitted,

Peggy Shaughnessy, Chair
