

**Peterborough Open Space Committee Minutes
January 11, 2016 Meeting
Peterborough Town House 5 p.m.**

Present: Ed Henault, Debby Kaiser, Anne Huberman, Joel Huberman, Francie Von Mertens

December's minutes were approved.

Anne Huberman reported on "visits" or "hits" to the Open Space Committee website. Figures from the website host are challenging to interpret, however it appears that people are finding it.

There was further discussion of a landowner's wishes to bequeath land to the town, including likelihood the Monadnock Conservancy would be interested in holding a conservation easement on the land – thereby ensuring that it remain a sanctuary, following the donor's wishes.

The Monadnock Conservancy focus area reaches east to Temple and Greenfield, and they are eager for projects on this side of their focus area. They have recently completed several on the western side in Rindge north to Walpole.
