

Present : Alan Bannister, Debby Kaiser, Ed Henault, Eric Thum, and Conservation Commission member, Susan Stanbury

A conservation proposal for property R002 036 000 was reviewed and by a vote of 4 for and 0 against it was recommended that the Conservation Commission be appraised of our positive recommendation. This property abuts the Casalis land and was highly graded when the Open Space Committee did a numeric grading of conservation appropriate properties. The land area is 52 acres.

There was a discussion to collect outstanding funds for the calendar.

The meeting ended.
