
RECREATION COMMITTEE 2018 REPORT

I would like to thank the other four members of the Recreation. Com., Vice Chair Ryan Griffiths, Kate Coon, Chris Kotula and Heather McClusky, and Select Board member liaison, Karen Hatcher• Department Director, Jeffrey M. King, and other members of his staff, Lisa Koziell-Betz, (Program Coordinator), Lauren Martin, (Administrative Assistant), our retired Maintenance Crew Supervisor, Roland Patton, and current Maintenance Crew Supervisor, Ray Eaton and Gloria Schultz, (Senior Program Director), for their service.

Your Recreation Committee meets monthly, on the first Wednesday evening of each month, with Jeff and staff, to offer advice and input from you, the residents of Peterborough, to sustain and improve upon our town's recreation facilities and programs. You are welcome to attend and ask questions, offer advice and/or just be more knowledgeable about this critical and valuable department.

Please be aware that physical or social activity in any recreational activities has a documented benefit to your physical and/or mental health. We all have an opportunity to take advantage of the programs that are offered by the Recreation Department and I invite you all to do so.

Thank you for the opportunity to serve you and "Our Town."

Andrew Dunbar, Chair.
